Fall is upon us! Summer came and went with such speed that it felt like the world was spinning a little faster than normal, but fall brings with it those physical, visual reminders that call us to take long, deep breaths of crisp, cool air and slow down to appreciate the colors of the leaves still above us and the crunch of the leaves below us.

Just as there are seasons of nature, there are seasons of our lives and the life of the church. In the middle of October, I'll be starting a six-week series on Samuel and Saul – two characters from the Old Testament that are, perhaps, not well known.

It brings me incredible joy to open up the Bible and preach in ways that are surprising and engaging to you. Whether it's through reading passages that are wholly unfamiliar or delving into characters that typically get little time in the spotlight, I am thrilled when people greet me after church with wide eyes and looks of astonishment and say, "I've never connected those ideas before." Or "I've been going to church for 75 years and that's the first time I heard . . ."

So, make plans to come and worship with us every week, but particularly throughout the Samuel and Saul series. You might find that we have more in common with the people of ancient Israel than you think.

Pastor Gin

✧ ✧ Session News ✧ ✧

A big thank you to everyone who helped make Rally Day a success! It was a wonderful opportunity to reconnect with one another, learn more about our church, and look ahead to the coming program year.

During Rally Day, members and visitors had the opportunity to tour the church campus and see some of the exciting changes taking place. These included the new Christian Education space downstairs, the offices that have moved to the Meeting House, and the walking trail around the property. We learned more about our church committees and the many ways to get involved in the life of the church.

Looking ahead, the September Session meeting included discussions about the many events on our busy fall calendar. There is much to look forward to in the coming weeks, including: World Communion Sunday, Blessing of the Animals, the Instrument Petting Zoo, and Kirkin' of the Tartans.

We also discussed the upcoming removal of several dead trees on the property. This work will take place soon as a safety precaution.

A Few Important Reminders:

- **Congregational Meeting – October 18**

There will be a congregational meeting following the 10:00 a.m. worship service on October 18 to elect church officers.

- **Upcoming Single Worship Services (11/22 and 12/27)**

Session has voted to hold a single worship service at 9:00 a.m. on November 22 and December 27. Please note that these dates correct the information reported in last month's newsletter.

As we move into the fall season, we look forward to opportunities for worship, fellowship, learning, and service together!

Peace,
Roxanne

Music & Worship Arts

Have you ever wondered what it feels like to sit at the organ console, ring a handbell, or try your hand at one of the instruments that helps lead worship? Here's your chance. **Following worship on Sunday, October 18**, everyone is invited to our **Instrument Petting Zoo**. This is a relaxed opportunity to see many of the instruments in our church up close, ask questions, and even try a few yourself. Children, youth, and adults are all welcome. No musical experience is needed. Just bring your curiosity. Kathy, Cheryl, Andy, and several of our church musicians will be on hand as your friendly instrument handlers, ready to introduce each instrument, answer questions, and encourage you to give them a try. You might discover an instrument you've always wanted to play or simply gain a new appreciation for the music that enriches our worship each Sunday. Come explore, listen, learn, and make a little music with us. We hope you'll stop by after worship and join the fun.

Our annual **KIRKIN' O' THE TARTANS** will be celebrated with bagpipes on **Sunday, October 25th**, during both worship services **8 & 10 am**. Everyone is invited to bring items important to their journey of faith: a bible, prayer shawl, etc. Those of Scottish heritage are encouraged to wear a piece of their family tartan to worship.

In the 1500's, after studying with John Calvin in Geneva, John Knox returned to Scotland and continued to urge the reforms that led to the creation of Presbyterianism. Local Presbyterian churches became known as kirks. Tartans are an internationally recognized symbol of Scotland. Highlanders wore clothes with distinctive striped or checked patterns, and the growth of clan and family tartans became popular in the mid 18th Century. As part of the effort to bring Scottish Highlanders under control in the 1700's, the Act of Proscription was passed and the wearing of the tartan was banned. From that period came the legend of Highlanders secretly bringing pieces of tartan cloth into their kirks to be blessed. In the mid-1900's, Presbyterian Minister Reverend Peter Marshall gave a sermon at the New York Avenue Presbyterian Church entitled "Kirkin' o' the Tartans" and the celebration was born out of subsequent services. The people of God have celebrated their faith and heritage across time. Today churches of many denominations celebrate the Kirkin' O' the Tartan service. Our church has deep roots in the community and those roots reach wide across cultures and traditions. These symbols of who we are and how we worship will remind us of the great diversity among us and the unity and oneness that our faith in Jesus Christ brings.

SERVING OUR COMMUNITY THROUGH FAITH AND ACTION

Missions Headlines

The Mission Committee recently met to finalize our upcoming community outreach budget, managing a total mission fund of approximately \$14,000. Out of this total, \$6,500 is strictly reserved for local Thanksgiving food pantries, while \$4,000 will be held in reserve to secure our initiatives for 2027.

The remaining \$2,500 to \$3,000 will be used to purchase snacks, toiletries, and clothing for three vital groups in our wider community. We are working with the Westerly and Chariho school districts to bring aid to 26 unhoused students in Chariho, 43 unhoused students in Westerly. In addition, we will bring toiletries to Dorcas International refugees in Providence. We are also bringing snacks to the Chariho Middle School Care Closet. And finally, in another effort to help those in need, ten laundromat gift cards have been purchased and will be given out at Jonnycake Center to families who are struggling.

Thank you to the congregation for the many pairs of sneakers you contributed in August. We appreciate your support.

Bob Rieger & Rachel Pierson

Jennifer Fyrer, Chariho Middle School teacher, gratefully accepts over 50 pairs of sneakers we collected in August. We also purchased various school supplies and snacks for her Care Closet.

News

On Mon, Sept 21st, we had a wonderful planning meeting for the new season. We had some great discussions about the book sale, the upcoming PW Bible study to start in Jan, the Job Lot Veterans Coat Sale for Nov (note last year we raised \$450 in Job Lot dollars which was used to purchase much needed toiletries for Jonnycake Center).

We will also be planning a few outings: Get Fired Up pottery painting and a Ladies Night Out.

Monthly Meeting

Our next meeting is **Monday, October 19th at 1pm** in Fellowship Hall. We could use your help assembling cookie boxes for the cookie walk. See you then!

STEWARDSHIP MOMENT *STRIVING TOGETHER!*

By now, you should have received this year's Stewardship Campaign letters, brochure, and investment card. **We will dedicate just one Sunday—October 4—to launch our Stewardship Campaign** during worship, and we will conclude the campaign on **Sunday, October 18, with the “Blessing of the Investment Cards.”** Why is this year's campaign shorter and more informal than in previous years?

Well, time and again, you have shown that generosity is not merely an action at Dunn's Corners Community Church—it reflects our love for one another and for our community. Whether the need has been great or small, simple or challenging, you have responded with a steady spirit of trust and generosity. You give not out of obligation, but out of gratitude; not to be recognized, but because you believe in the mission God has entrusted to our church.

Therefore, since we are aware of your faithfulness, we realized we don't need four Sundays to repeat how important your estimated giving in 2027 is. Two Sundays - one to mark that estimation is important and timely and one to bless the response you've made are enough to celebrate what God is already doing through you.

Thank you for striving together as one to meet the needs of others. Thank you for being a congregation whose giving reflects the very heart of Christ. Thank you for prayerfully considering what you could give in 2027 and for returning those cards by the 18th. If you did not receive a mailed stewardship envelope, there will be some at the church or you may contact the office.

*The Stewardship Committee,
Sue, Bob, and Charles*

There has been quite a bit happening behind the scenes with Building & Grounds since our June Scribe update, and we're happy to report that many of our projects are moving along!

Sanctuary Pews & Chairs

Our sanctuary pews and chairs received a deep cleaning using an upholstery-safe cleaner, at a cost of \$3,085. Carpet cleaning has not yet been scheduled because we are working around the floor repair schedule.

Office Relocation & Sunday School

The office relocation and Sunday School project is nearly complete, and both spaces are fully functional. We expect the total cost to come in below our original \$12,000 estimate.

Parking Lot

The parking lot has been resealed and relined. The final cost was \$6,700. We are especially grateful to Atlantic Seal Coating and Tom Roy, who made a charitable contribution of more than \$8,000 toward the project. Without that generous contribution, the project would have cost approximately \$15,000.

Walking Trail

Our new walking trail has had its soft opening. Signage for the trail still needs to be completed.

Dedication Patio & "Buy A Brick"

The bricks for our dedication patio have been ordered, and our "Buy A Brick" fundraiser raised \$3,700! Approximately half of the funds will go toward the bricks, with the remainder being used for patio materials, cleaning the cushioned chairs donated by the Westerly Yacht Club, and other Fellowship Hall improvements. All 98 donated chairs have been cleaned, sanitized, and treated with fabric guard. We are especially thankful to Ashley and Jason of Wash Co. Carpet Cleaning, who professionally cleaned 33 of the chairs at no cost.

Tree Work

The committee has approved \$3,000 for Palmer's Tree Service to remove dead trees near the Kid-Care playground/overflow grass parking area and dead pine branches over the Chapel.

Fellowship Hall Meeting Room

The new Fellowship Hall meeting room project has not yet begun. We anticipate starting early next year, with a budget not to exceed \$20,000.

Meeting House Heating & Air Conditioning

Our Meeting House air-conditioning compressor developed a refrigerant leak, causing the lines to ice up. Unfortunately, the refrigerant needed for the existing system is no longer available, so the compressor cannot be repaired and the air conditioner is currently not working. We purchased small window air-conditioning units to use through the summer. Since the Meeting House furnace is also more than 30 years old, our contractor provided a quote of \$17,000 to replace both the air-conditioning compressor and furnace. Replacing both systems should improve efficiency. We will discuss the timing of this project with Session.

Thank you to everyone who has donated, volunteered, or helped with these projects along the way!

Church Grounds Fall Clean-Up

Saturday, November 7, 2026 | 9:00 AM–12:00 PM

Fall is here, and it's time to give our church grounds a little seasonal TLC! Join us for a morning of fellowship, fresh air, and working together to keep our church property looking its best. We'll be clearing leaves, tidying outdoor areas, and taking care of other seasonal cleanup around the grounds. Everyone is welcome—no special skills required! Whether you can stay for the whole morning or just lend a hand for a little while, your help is appreciated. Wear comfortable clothes and sturdy shoes, and if you have them, bring gloves and some basic yard-work tools. Come enjoy some time together while helping prepare our church grounds for the season ahead. **Many hands make light work—and we're always better together!** Rain Date: Sat, 11/14/26 | 9AM–12PM

We are so excited to be back at school! It has been a wonderful start to the year as we welcomed back our returning families and meet our new ones. We have 22 students this year—6 returning and 16 new students.

During our first two weeks, we focused on getting to know one another, learning classroom rules and routines, and practicing each other's names. We enjoyed many engaging stories about school and first-day jitters. We also began our name unit with Chicka Chicka Boom Boom, learning to recognize, count, and write the letters in our names. Each child created a coconut tree featuring their name coconuts!

We have also enjoyed plenty of time outside in the warm sunshine. In Foundations, we began learning the letters Tt and Bb, practicing letter recognition, sounds, and words that begin with each sound. We celebrated our September birthdays—Kamdyn, Elena, Reagan, and Natalie!

We look forward to a wonderful school year filled with fun, learning, and lots of laughter. As always, we are so grateful for the continued support of our church and all of its members!

EXCITING CHANGES & NEW BEGINNINGS FOR YOUTH & CHILDREN'S MINISTRIES!

There has been a lot of movement this summer across our church, bringing fresh energy and exciting changes to our children and teen programs!

With the church offices relocated upstairs to the Meeting House, our vibrant new Sunday School space is officially taking shape. We can't wait to show it off—be sure to come by for a visit to tour the new setup!

We are continuing to build on meaningful activities and launch creative new opportunities. On the third Sunday of every month, our young people will continue to take active leadership roles during morning worship.

We are thrilled to welcome back our Chime Choir as they will prepare to

share their musical gifts in worship again soon.

And keep an eye out for additional projects woven into our worship throughout the year. As our programs continue to grow, so does our need for hands-on support. We are looking for volunteers to help on Sunday mornings during Sunday School or on Tuesday evenings during Youth Group. If you have a special hobby, craft, or skill you'd love to teach, we would love to have you share it!

We are always looking for creative ways to foster richer intergenerational connections across our congregation.

**Join the Christian Education
Committee:**

Remember, Christian Education isn't just for kids—it shapes educational programs for our entire church family! We invite you to lend your voice, vision, and ideas by joining the Christian Ed Planning Committee.

- When: First Tuesday of the month at 5:00 PM
- Where/How to Join: If you would like to attend or learn more, please reach out to Mary Slattery via email at mfslattery03@gmail.com or phone at 401-569-9584

We look forward to an amazing year of learning, growing, and serving together.

Staying Connected, Reaching Out & Looking Ahead

There's a lot happening behind the scenes at DCCCP! The Membership Committee has been busy working on several projects, all with one goal in mind: staying connected with our church family and making sure everyone knows there is a place for them here.

One of the things we're working on right now is updating our membership directory and making sure our records reflect the current involvement of our parishioners. As life changes, so do addresses, phone numbers, email addresses, family circumstances, and the ways people participate in the life of the church. Keeping our information current helps us stay in touch and makes sure important church communications actually reach the people they are meant for. It also helps us maintain an accurate membership count, which is important when determining our annual per capita.

As part of this process, a letter will be coming to some of our parishioners as we update our membership rolls and learn more about how each person is currently connected to DCCCP. This is simply an opportunity to check in, update information, and make sure our records accurately reflect where people are in their church journey. We hope you'll take a moment to respond when you receive one. Our goal is not simply to update a list, but to make sure no one feels forgotten or disconnected.

We are also reaching out to some of our members whom we haven't seen in a while. Letters are being sent simply to check in and say hello. We want to know how you're doing, whether you still consider DCCCP your church home, and whether there is anything we can do to help you feel more connected.

In addition, we are looking beyond our church walls and finding ways to connect with the Westerly community and surrounding area. DCCCP has so much to offer, and we want our neighbors to know that our doors are open—not just on Sunday mornings, but throughout the week.

And Here's Where YOU Can Help!

When you see a DCCCP event or announcement on Facebook, like it, comment, and share it! Every share helps our church reach people who may not already follow us or know about the wonderful things happening here. You never know who might see a post because you shared it—and who might decide to come check us out.

Membership isn't just about names in a directory or numbers on a list. It's about people, relationships, connection, and creating a church community where everyone knows they have a place to call home.

October Is Pastor Appreciation Month!

Did you know October is Pastor Appreciation Month?

And that gives all of us a whole month to show Pastor Gin a little extra love!

Pastor Appreciation Day is officially recognized on Sunday, October 11th, but why limit our appreciation to just one day? Ministry is not a Monday-through-Friday, 9-to-5 job. It's being there for people in the celebrations and the difficult moments, answering questions, offering encouragement, leading worship, visiting, praying, listening, planning, and somehow keeping track of all the things that seem to happen at church!

Pastor Gin is an important part of Dunn's Corners Church, and October gives us a wonderful opportunity to pause and say how thankful we are for her presence here. Let's make sure Pastor Gin knows just how much she is valued and appreciated by the DCCCP family. Join us for refreshments, **Sunday, October 18th** after the 10am service to celebrate!

Thank you, Pastor Gin.

Thank you for the time you give to our church.

Thank you for the prayers you offer for our congregation.

Thank you for listening when someone needs to talk.

Thank you for celebrating with us when life is joyful.

Thank you for walking with us when life is difficult.

And thank you for bringing your own energy, faith, humor, and heart to DCCCP.

***Happy Pastor Appreciation
Month, Pastor Gin!***

***We are grateful for you—
and grateful that you are part of
our Place to Call Home.***
